

# TOUR PROGRAM

# Santa Ana Volcano and Lake Coatepeque

## Tour Description

We will begin our tour by heading to the west of the country, or to visit one of the most beautiful volcanic complexes in the region; Our main destination will be the Santa Ana volcano, 2,380 meters above sea level. The adventure promises to give you one of the most beautiful views of Lake Coatepeque, the Izalco volcano and the beaches of the Pacific.

Our next destination to visit will be Lake Coatepeque, called one of the most beautiful lakes in the world where we will take a ferry tour.
